

A Conversation with Christian Liu

CSPA Committee Member: Affiliate Members, Breaking Barriers

Christian Liu MBA, MSc

Treasurer and Board Member

Why did you get involved with CSPA?

I joined CSPA because I wanted to do something that would give back to the community in a meaningful way. When I saw the role of treasurer and board member open up, I applied so that I can utilize my expertise and experiences to help the organization. Since stepping into the role of volunteering for the organization at the top, what became as a challenge turned into fulfillment and excitement. Being able to impact a wide range of patients and doctors in the dermatology sphere has opened my eyes to the work that we do. Whether it is directly or indirectly, CSPA has a patients first approach and is doing amazing work to assist patients on their journey by getting the information they need to make informed decision for treatments and recovery.

Why do you like volunteering with CSPA?

With CSPA, I am currently volunteering as the treasurer and board member of the organization. I am a designated accounting professional and completed my MBA from Imperial College London..
